Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Baden-Powell of Mafeking Of boundless love and reverence and regret To those great men who fought and kept it ours. We have a voice -yes, and is it not well that at this juncture it should be raised in honour of the men who have mounted guard for us at the gates of Empire? It is well, too, that our ears Should listen to stories of them - surely there is no taint of unpardonable curiosity in that, but rather an inquisitiveness which is worthy of praise. No man can hear of great men, not think of brave deeds, without finding himself made better and richer. It is in the contemplation of greatness that even the most poorly-equipped amongst us may find a step to a higher place of thought.
