*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.*

## EVERYDAY PEDAGOGY: WITH SPECIAL APPLICATION, TO THE RURAL SCHOOL (CLASSIC REPRINT)

Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Everyday Pedagogy: With Special Application, to the Rural School No claim is made that the ideas here set forth are new. The best of them are very old. Some of them are told more than once in this book, but those are the ones it has been found necessary to tell many times to student teachers. The material is in part oversimple, and in part, perhaps, overelaborated. It has been made so purposely. In those things that might be called faults lies the merit of the work, if it has any merit. The plans herein given are practical not theoretical, most of them having been tried in our own school and gathered through close association with many teachers. They are stated in the way which has seemed to meet the needs of young teachers in everyday work. Not all the books and other material, nor all the ideas, are supposed to be used by any one person. Enough has been suggested to leave freedom for choice. In cases of doubt, application has been made to the rural school, though most of the suggestions will serve as well for any other school. Repeated requests for information along these lines and a long-continued service in connection with young teachers in training classes and institutes have furnished the occasion for the making of the book. It is hoped that the volume may be of practical value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
