HALLOWEEN: HALLOWED OR HEINOUS? (PAPERBACK)

DOWNLOAD

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An exploration of Halloween traditions in light of what the Holy Bible says about those very things. Christians often question holiday traditions because of what others say. Within the covers of this book you will find your answers to the main question about Halloween: To celebrate or not to celebrate? The answers are not based on what others may say. Instead they come from the most reliable source of truth: God's Word. The history of Halloween is also discussed from facts gleaned from reliable sources. This book holds some interesting details for all of us no matter our religious affiliation. Trick or treating, dressing in costumes, bobbing for apples and many other customs seem innocent enough but when researched are revealed to be steeped in evil origination. The word evil is defined and explained from the Scripture also. Being of an apologetic nature, this book may seem opinionated. But instead it is a revealing look at the traditions of Halloween compared to Scripture.
