

Harry Seidler LifeWork (Hardback)

By Vladimir Belogolovsky, Kenneth Frampton

Rizzoli International Publications, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Australia's most renowned modern architect, Harry Seidler designed over 180 projects, from single-family houses to apartment buildings, multistory office towers, and prominent government commissions, mostly in Australia, but also in Austria, France, Israel, Italy, Mexico, and Hong Kong. This is the first and long-overdue book to give a complete overview of this award-winning architect's body of work. Seidler graduated from Harvard Graduate School of Design, where he studied under the legendary Walter Gropius and Marcel Breuer; in 1946 he studied with Joseph Albers at fabled Black Mountain College in North Carolina; and he later worked as Marcel Breuer's first assistant in New York and for Oscar Niemeyer in Rio de Janeiro before establishing his own practice in Sydney in 1948.

Reviews

This created publication is wonderful. it absolutely was writtern extremely completely and beneficial. I discovered this publication from my dad and i encouraged this publication to discover.

-- **Kristina Kshlerin DDS**

It is an amazing publication which i actually have at any time go through. It really is writter in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.
