Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Sport in Asia and Africa IN December 1918, after five and a half years of most strenuous work in China, I found myself once more an idle man; and, to employ my unaccustomed leisure and beguile the tedium of the long journey from China to England, I wrote an account of some of my shooting and fishing experiences and adventures. With the exception of some notes regarding the dates of my shooting expeditions, and the notes about bears, which are referred to in Chapter IX, I kept no shooting diaries or notes, but I have consulted the diaries of my friend Mr. W. B. M. Bird, and my memory is very retentive. I think, therefore, that I can vouch for the substantial accuracy of all state ments made, and for the complete accuracy of the description given of the more important incidents. Some of the actual dates given have been taken from Mr. Bird s diaries, and some from entries on the shields upon which trophies have been mounted.
