Today we are going to go back in time to the age of the dinosaurs. The dinosaurs are an extinct species of animal that lived on the planet Earth millions of years ago. Extinct means that they no longer exist. They are some of the most intriguing, mysterious, and wonderful creatures to have existed on our planet. We are going to pay attention to one particular dinosaur in this book: the Dilophosaurus. The Dilophosaurus is an interesting dinosaur because of its strange appearance; it has two crests on top of its head. We are going to talk about not only the crests though, but about how it might have looked and acted and where it lived and what dinosaurs...
