By Lori Best

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kids book called What Number Do You See? is made for the young learning as a preschooler or kinder garden child. This book will cause your child to fill that they can identify what number they are seeing. I placed one number only so that they would not be distracted. I also know that whenever a child is given numbers or letters over and over again, this help them to identify it better. So therefore you will see that I repeated the same number sometimes for your little young learner. Take out some undivided time with them and reassure them in learning their numbers within this kids book. To see that little smile when they answered it right is priceless to witness. Learning numbers and alphabets have always been important to most kids and yours will be no different, so get this little numbers book and let your little one learn their basics of identifying numbers. Enjoy, Lori Best.
