By Donny Boy Franko

Outskirts Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Soup Sandwich Survival Severe, life-threatening conditions, both natural and man-made, can strike at any time, and we can t rely on emergency management services and government aid. We must be prepared to save ourselves, and help our family and neighbors, till support arrives. Donny Boy Franko s training guide Soup Sandwich Survival is for people new to survival skills and those who consider themselves experienced preppers. It covers what to do in both short-term situations, such as camping and hiking trips gone awry and periods of civil unrest, and long-term upheavals, such as those caused by earthquakes, hurricanes, nuclear events, and even war. Drawing on experience as a highly trained combat veteran and military advisor, Franko outlines how to prepare for compromises in food, transportation, heat/air, and equipment and communications--and how to recover if you weren t prepared. Sandwich Survival replaces fear with confidence in knowing that you can save and provide for yourself and your loved ones in any disaster.
