It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Women dont come to After Sundown for the beer they come to get laid. When wealthy Cole Taylor walks into the bar that night, its for a drink. He gave up one-night stands in his wild youth, but that changes when he sees her. She is too tempting to pass up, and by the looks from the other men at the bar, he needs to move quick to claim the prize. Kit Landon - a struggling young widow, raising her daughter alone - has her own reasons for being at After Sundown. And it has nothing to do with illicit sex. But things can escalate a little too fast after nervously downing several beers on an empty stomach. The conservative young widow finds herself in an extremely compromising situation and barely manages to escape, leaving behind a furious Cole Taylor. Kit never wants to see the man again, but she is in for a big surprise. This item ships from La Vergne, TN. Paperback.
