Warren Henderson, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.World religion is an exhaustive system of doings apart from God s truth and God s enablement. How does world religion obscure divine truth, thus preventing man from personally knowing God? What general trends are con-sistently found in humanized religion? What advantage does biblical Christianity have over the religions of the world? Why should I trust Jesus Christ alone to secure eternal life? These questions and many others will be posed and rationally addressed in this book. Dear reader, please examine the evidence, and determine for yourself if biblical Christianity is a logical choice.
