SALVAGE SECRETS: TRANSFORMING RECLAIMED MATERIALS INTO DESIGN CONCEPTS (HARDBACK)

WW Norton Co, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Sustainability and conservation are buzzwords in the construction and renovation of homes today. It s therefore no surprise that salvage design -reusing old building materials and other types of recycled goods-is becoming a popular technique, both for its environmentally friendly functionality and for its unique design aesthetic. Here, award-winning designer Joanne Palmisano presents an inspiring, practical guide that is also a striking visual tour of...

Reviews

Undoubtedly, this is actually the finest work by any author. Of course, it is perform, nonetheless an amazing and interesting literature. You will like just how the article writer publish this book.

-- *Dr. Isom Dibbert Jr.*

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
