Well, take it from me: they can always get worse. Three months after the killer rain first fell, Ruby is beginning to realize her father might be dead .and that she cannot survive alone. When a chance encounter lands her back in the army camp, Ruby thinks she is safe - at a price. When she realizes what is going on - the army is trying to find a cure by experimenting on human subjects - Ruby flips out .and makes an even more shocking discovery: she's not useless at all. The Storm begins .
