Excerpt from Christian Work for Men and Boys: As Outlined by the Federal Council of the Churches in America, Syllabus Presented at the Christian Conservation Congress of the Men and Religion Forward Movement, Carnegie Hall, New York City, April 19-24, 1912 Various fragmentary and unrelated forms of federation have been proposed for conservation, but surely the bringing together of the churches themselves should promise the greatest effectiveness. Otherwise we shall have a multiplicity of federations, which, in turn, will have to be federated. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
