

Bitcoin: The Ultimate Guide from Beginner to Expert: Step-By-Step Guide for Engineers, Investors, Business Executives and Non-Technical Users (Paperback)

By Richard Hayen

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bitcoin is quickly becoming a household name that all of us are familiar with hearing, but we may have no idea how this is going to work. It is a great system that isn't based off any of the currencies, so it is safe and secure and won't go up and down just because of a bank or a government. Anyone is able to use bitcoin and there are so many ways that you are able to get some bitcoin of your own, which we will discuss in this guidebook. Working with bitcoin is new for some companies, which can make it a little bit scary at times. Some of the things that we are going to discuss how to do in this guidebook include: What is the bitcoin How to mine the bitcoin What all you can use the bitcoin for. How to keep your identity secret with the bitcoin How to use exchange services to get bitcoin from traditional currency Investing strategies to earn more bitcoins How to be a merchant and make some more bitcoin Other...
