EVANGELICALS AND LIBERATION REVISITED (PAPERBACK)

Wipf Stock Publishers, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Despite the fact that the theological gains of Latin American Liberation Theology (LALT) have been incorporated into several theologies around the world, many North Atlantic evangelicals still consider LALT a heresy. The underlying reason for the lack of positive engagement between North Atlantic Evangelical Theology in general--and American Evangelical Theology in particular--and LALT is the mistaken perception that LALT and evangelical theology are necessarily contradictory. In *Evangelicals and Liberation Revisited*, Joao Chaves analyzes instances of the evangelical-liberationist interaction and examines the generally suspicious responses given to LALT by North Atlantic Evangelicals. Evangelicals who think of LALT as a heresy have failed to look not only into the diversity that exists among liberationists, but also into the different theological expressions within their own movement. Joao Chaves argues convincingly that if evangelicals think about both liberation theology and their own theological commitments critically, then they will be able to recognize that LALT can be an indispensable ally in their commitment to following God. Endorsements: Can Latin American liberation theology and North Atlantic evangelicalism complement one another? Yes, says this Brazilian evangelical theologian in this succinct and incisive analysis. Chaves sensitive reading offers a crisp history of liberation theology, breaks down misconceptions, and offers exciting new possibilities of weaving together two seemingly disparate perspectives. This book makes a great contribution that richly repays exploring. --David E. Garland, Dean and Professor of Christian Scriptures, George W. Truett Theological Seminary, Baylor University The good news of salvation and liberation lies at the heart of the gospel. Both evangelicals and liberationists concerned with the message of liberation and salvation should be, in spite of differences, conversation partners. This book creates an important contribution to starting such...
