A Time to Bloom is a collation of Lisas experiences, observations and reflections that have been touched and inspired by the divine nature of Almighty God. The reader can expect an open, yet thought provoking demonstration of acknowledgement and love for God. A record is made of lifes successes, failures, joys and disappointments. The over-all realisation is that God is in control of the life that is submitted to Him, even when all seems lost! The pieces in this first publication were recorded over a period of years, with a first public recital of Warfare in 2001 at a School of Ministries graduation ceremony. Other public recitals include Year of the Redeemed in 2005 at an Anniversary Service, and Not a Rehearsal in 2009 at a Memorial Service. As you stream through the pages of this book, the words have the power to propel you toward a relationship with God, as you reflect and consider your own life in light of these records of truth. The language is simple, yet the thoughts go deep. There is an inspired word for everyone and it is this: A Time to Bloom! This item ships from multiple locations.
