He was my first crush and my first fantasy, but he wasn't my first in any other way because he never saw me as anything more than a friend at least not until the night that changed everything. It was all Gage's fault. He insisted we drive through the storm and take the back roads. By the time the storm hit full force we had no chance. One night of snowbound sex changed our relationship forever. The problem was at the same time I caught another guy's attention. This other guy happened to be the alpha of a pack of shifter wolves. I thought the wolves were the worst of my problems, but I was wrong. When things went from bad to worse I had to make a lifelong sacrifice to save Gage, but what price is too much to save the one you love. New Adult Paranormal Romance.
