HOME WIRING

Guild of Master Craftsman Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Home Wiring, Phil Thane, Home improvers and DIYers can expand their horizons with this authoritative guide to domestic electrical installation, fittings and equipment. The modern home is more machine than building, with complex systems of electrical installation and equipment. An understanding of these is vital for any DIYer and really expands the horizons of the home improver. This comprehensively illustrated, authoritative book is written in a clear, accessible style and explains each aspect of domestic electrical installation, fittings and equipment. Beginners will find it demystifies the subject and more experienced home improvers will value it as an indispensable resource and reference. Phil Thane is a freelance journalist specialising in DIY and technology. Having taught electronics before turning to journalism, Phil is aware that many people find electricity baffling and scary, but believes that any competent DIYer can carry out electrical work safely providing they are careful and stick to the rules.
